Dear Sir/Madam

RANGE INTERNATIONAL ORDERS EQUIPMENT

Scott Technology Limited ('Scott') is pleased to announce it has received an order for an additional six extrusion and press systems from ASX Listed Range International ('Range'), for installation at Range's new factory site in Pasuruan, East Java in 2017.

These six systems add to the two full production lines previously ordered and fit comfortably within our existing production capacity. The financial and technical details of this transaction are subject to a confidentiality agreement.

Yours sincerely

About Scott

At Scott we automate the future. The production line machinery we design and build deliver productivity gains and exceptional reliability to many of the world's leading manufacturers. We also go a step beyond engineering production solutions to actually revolutionising entire industries – using robotics to automate manual processes and create genuine competitive advantage.

For over 100 years Scott has looked to tomorrow and rapidly responded to shifting needs. Today, we have production bases in the United States, China, Australia and New Zealand, customers in 88 countries, and a real commitment to developing new technology and bringing it to market. Across everything we do you will discover true quality, advanced engineering and a renowned design aesthetic.

Scott. Quality that lasts. Quality that inspires.
